Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	The time table is drawn well in advance and ensured that the on-line classes are executed as per time table without fail. Each course is divided into modules and each module was dealt by different faculty. While framing time table, the exact class schedule is drawn for each faculty. Each online class is for two hours and if required, it can be extended to some more time to complete the module. Most of the online classes are planned in the last session of the day, so that extension is possible. As the total syllabus is divided into various modules, it is easy to complete the module by each faculty within the time frame. Engineers & Scientists from our department are taking classes and knows the importance of time schedule. As they are well experienced in taking classes they plan to complete the module within the time frame. Both course coordinators and faculty members monitor the progress of the course throughout, any lapse are addressed then and there. Examinations were done in online as well as in offline mode following COVID protocols. All experiments were done by conventional way by attending laboratory following the COVID protocols.
