#postdoc #postdocposition open positions in Linköping university, Sweden

Job description

There is a 2-year postdoctoral scholarship position at the department of physics, biology and chemistry, Linköping university, Sweden. The research topic mainly focuses on photoelectrochemical (PEC) water splitting using nanoporous materials such as cubic silicon carbide semiconductors.

Key qualifications:

- Strong research background on PEC water splitting/CO₂ reduction or relevant
- excellent oral and written english skills

Interested candidates please send their CVs and publication lists to Jianwu sun (associate professor, Linköping university, Sweden) at jianwu.sun@liu.se

Indiana University in United states invites application for vacant (89) Postdoc and Faculty Positions
